Canvas

Second Edition

In **Canvas** you are a painter competing in a prestigious art festival. Collect transparent cards and layer them to create paintings. Reveal or cover icons to create high scoring pieces of art and earn ribbons. Each card combination creates a unique illustration and title for your painting.

Mirror Cards included! These reversible transparent cards add deeper strategy and even more combinations to create unique masterpieces.

Complete your works of art and show them off to the world with the included **Frames**! These Frames add a layer of interaction as players compete to have their work displayed on the gallery wall.
