Cuba: The Splendid Little War, 1895-1898 is a two-player simulation of the Cuban War of Independence and the Spanish-American War. One player controls the Spanish forces seeking

to crush the rebellion and retain control of Cuba, while the other controls the Cuban rebels fighting for independence. Players must make strategic decisions amidst major events like disease, assassinations, and yellow journalism. Can you use your limited resources to secure victory?

- Two player simulation of the events of the Cuban War of Independence and Spanish-American War
- Completely remastered with historically-inspired artwork
- Strategically utilize limited resources and troop movements to alter the course of the war and bring about the events discussed in the newly included alternate-history epilogues
