

Brave Adventurers Wanted to Explore Lands Unknown!

Farshore will send you on an epic seafaring adventure to explore and build in the rugged country north of Everdell Valley. Study the winds to sail your ship in search of valuable riches, compete for lucrative island locations before high tide rises, and be the first to claim valuable maps that will lead you to troves of treasures.

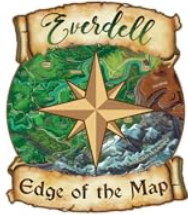

Built upon the award-winning gameplay of Everdell with many new mechanics to explore!

Four new critter types, molded boats, and a 3D lighthouse to expand your collection!

A new land of lively critters, featuring the glowing artwork of artist Jacqui Davis!

Farshore is part of the Edge of the Map series, which explores the exciting and diverse lands bordering the Everdell Valley.

Components

1 Game Board, 1 Rulebook, 1 Lighthouse, 24 Wooden Critters (6 Crabs, 6 Beavers, 6 Puffins, 6 Ducks), 155 Cards, 24 Map Tiles, 10 Island Tiles, 8 Windrose Tiles, 50+ Treasure Tokens, 5+ Color Markers, 12 Metal Anchor Tokens, 4 Plastic Ships, 50+ Plastic Shells, 25+ Wooden Driftwood, 25+ Plastic Seaweed, 25+ Plastic Seastones, 25+ Plastic Mushrooms

The wind is high. The sun is breaking the horizon. It is time to set sail for adventure!

Welcome to the new stand alone game in the world of Everdell

This is the country of Farshore. Through each season, you will be leading a crew of critter workers to build up a prosperous city and to explore the enchanting ocean beyond. You must plan your actions carefully in order to build and to sail, for only by adapting to the winds of change will you succeed.
