

FORGE YOUR DESTINY

The Chamberlain is searching the realm for a new Craftmaster to the King and sets a contest for all of the smiths and crafters in the land. The first one to forge four items from a list of the Kings favorite weapons and trinkets will be honored as the First Among Crafters and Smiths. But watch out because the other crafters and smiths will try to outdo you at every opportunity. *Are you ready to forge your destiny?*

King's Forge is an elegant and easy-to-learn game that balances carefully building up your supply of materials with the creative risks of attempting to create a masterwork. Clever dice management, advanced planning, fierce competition, and nail-biting luck are part of every game of King's Forge.

45-60 Minutes | For Ages 14+ | 2-4 Players

Answer the Call to Craft

In King's Forge, players are crafters seeking the favor of the King.

FEEDBACK

Master Your Materials

A variety of dice represent the materials (metal, wood, gems, and magic) that need to be gathered and crafted into mundane and marvelous items.

Forge Your Future

The first player to forge four items that are up to the exacting standard of their monarch will be crowned the winner.
